THE ACADIAN

UNIVERSITY OF MAINE
AT FORT KENT
1973

Hi ya Greenhorns!

Welcome to good old UMFK, plunked down smack in the St. John Valley. Golly, kids, you'll really like this neato-keen place. It's got everything you can lay your dirty little fingers on; booze, broads, winter, and even something for the weirdies. Books! So what!
you might well say.
Gee willikers, we're
gonna tell you what.
What is, FUN! FUN! FUN!

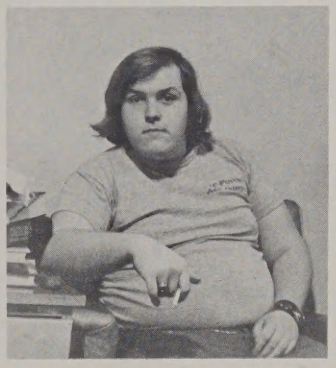
That's right kids you can have mounds and mounds of clean healthy American fun
it is true

at UMFK. Yes you might

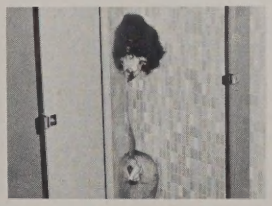
be the first in your dorm to get his first

Isn't that simply wow???

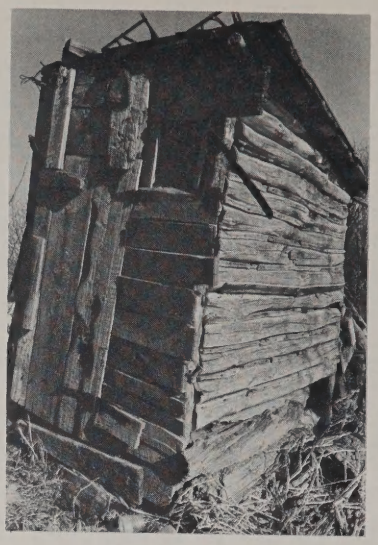
And there is more! Here at UMFK, your wish is our every command. We've got an up-to-date staff just cringing at your every wish. Imagine having your very own lackey graveling and sniffling at your feet! A dream you say? Well, dreams come true at UMFK, where backs bend to comply to the student's demands. Impressed?



We have all kinds of super-duper facilities for your creature comforts. You do the sitting while others do your bidding here at UMFK.



We have modern
plumbing,
comfortable rooms,



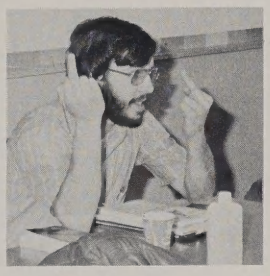
to study in,

the best of cuisine.
That's right kids, you
can cram those food

orifices of yours with
the best that can
be offered!

There's also something for you emotional slowpokes. That's right, if you've got something to get off your chest

, a receptive staff



can handle all of those aberrations of yours. Who knows, maybe someday you'll be like all the other UMFK students

; CURED! CURED!

A little nod will help us know if you like this.

Also available at UMFK for you druggies tailored to

is a program your individual needs.

Another feature is of UMFK is our completely unbiased approach to race, creed, and national origin. All you spics, sheenies, wops, dagos, niggers and squareheads get an equal opportunity to be admitted to our college with our sophisticated system of admissions.

You'll find that once you're on campus, everyone bends a little to provide

for you.

Even the campus police are receptive and approachable. So if you have a future

ahead of you, and want to make the best of it with friendly people

and the best of services, you'll love UMFK.

It is sure to impress you.

Signed,

The Student Body

EDITOR'S NOTE

APATHY - Lack of interest; lack of emotion; listless condition, unconcern; indifference.

I would like to thank the people who did work on this year's yearbook. Even though there was very little work for them to do.

So again thanks,

Sande Stevenson
